

VALUE OF BIOMEDICAL RESEARCH WORKGROUP

CHARGE

The Value of Biomedical Research (VOBR) Working Group of the SMRB is charged with:

1. Undertaking a comprehensive analysis of the methods and strategies used in assessing the value of biomedical research;
2. Defining the fundamental principles that should underpin any strategy used in assessing the value of investing in NIH; and
3. Identifying strategies used in assessing the value of NIH that are scientifically sound and reflect the diverse outcomes related to this investment.
